

Hope UK Youth Council Information Pack

About Hope UK:

Hope UK is a national drug education charity. We work throughout the UK to equip young people to make drug-free choices.

We work with children and young people from age five to twenty-five, and also train adults.

Our work can be in schools, youth clubs, sports clubs – anyone who invites us!

The Youth Council:

Our youth council meets together on a Saturday every three months.

They act as advisers to Hope UK – looking at our activities, resources and online presence, making suggestions and helping us develop new ideas.

For the last two years we have not had a youth council, so we are starting again. This new group of young people can therefore have a lot of input into how the youth council should work and what they might do

About you!

We are looking for young people who will commit to join the youth council and attend the council meetings.

You will be:

- Age 11-24
- Enthusiastic
- A good communicator
- Able to work well in group situations
- Someone who understands the issues which face young people today
- Someone able to attend and contribute to regular Youth Council meetings

If you are interested in joining the council, please fill in the online form at:

hopeuk.org/youth-council-application

We will then arrange to chat with you about it.

(If you are under 18 we will need to get permission from your parent/carer)

If you would like to discuss it first, email enquiries@hopeuk.org and we will get in touch!
